

## Portlock Community Association Dues

We have been often asked about our dues. At only \$80 per year our dues are one of the great bargains around. Our dues are used to pay for the betterment of the community and beautification of our neighborhood. For example your dues are used for the upkeep and maintenance of the Portlock sign area on Kalaniana'ole Highway. By having a great entry our property values are enhanced and we demonstrate we are a community who cares.

In the past we have financially supported various causes that the Board of Directors determines are worthy of broad community support.

Finally, your dues are used to keep the Portlock Community informed via the Portlock Roder and our website <http://www.portlockroad.com/>.

Please help and mail your dues to the Portlock Community Association, PO BOX 25133 Honolulu, Hawaii 96825. We have enclosed a stamped envelope for you convenience. In the alternative, you can pay on our website with your credit card.
